- (e) any contracts, arrangements, or understandings with any person with respect to any securities of CSX, including but not limited to transfer of any securities, joint ventures, loan or option arrangements, puts or calls, guaranties against loss or guaranties of profits, division of losses or profits, or the giving or withholding of proxies;
- (f) the purposes of your holding of an interest in CSX;
- (g) past, present or future plans or proposals to liquidate CSX, to sell its assets to or merge it with any other persons, or to make any other major change in its business or corporate governance;

- (i) communications with the Securities and Exchange Commission about CSX;
- (j) work performed by Bain or Deutsche Bank for defendants with respect to CSX and all communications with Bain or Deutsche Bank relating to CSX; and
- (k) the Schedule 13D, including advice on the applicability or application of the federal securities laws to defendants' interests in CSX.

**Response to Request No. 3:**

The TCI Defendants object to subpart (c) of this Request on the grounds that it is overly broad and unduly burdensome. The TCI Defendants also object to subpart (g) of this Request on the grounds that it is unduly burdensome and seeks documents neither relevant to this action nor likely to lead to the discovery of admissible evidence. Subject to and without waiving the foregoing General and Specific Objections, the TCI Defendants will produce any non-privileged documents responsive to subparts (a) through (b), (d) through (f), and (h) through (k), if any, that are within the TCI Defendants' possession, custody, and control.

**Request No. 4:**

Documents sufficient to identify any occasions other than involving CSX, in which defendants have acquired an interest of, or economic exposure to, more than 5 percent of any issuers' equity through the use of swap arrangements.

**THE CHILDREN'S INVESTMENT  
MASTER FUND, CHRISTOPHER  
HOHN  
AND SNEHAL AMIN'S OBJECTIONS  
AND RESPONSES TO CSX  
CORPORATION'S SECOND  
REQUEST FOR PRODUCTION OF  
DOCUMENTS**

Pursuant to Rules 26 and 34 of the Federal Rules of Civil Procedure and the Local Civil Rules of the Southern District of New York, Defendants The Children's Investment Fund Management (UK) LLP, The Children's Investment Fund Management (Cayman) Ltd., The Children's Investment Master Fund, Christopher Hohn and Snehal Amin (collectively, the "TCI Defendants"), by and through their undersigned counsel, Schulte Roth & Zabel LLP, hereby respond and object to Plaintiff CSX Corporation's Second Request for Production of Documents dated April 9, 2008 (the "Requests").

### **GENERAL OBJECTIONS**

1. The TCI Defendants object to the Requests to the extent they seek to impose obligations upon them beyond those required or authorized by the Federal Rules of Civil Procedure or the Local Rules of the United States District Court for the Southern District of New York.

2. The TCI Defendants object to the Requests to the extent that they call for the production of information or documents protected from disclosure by the attorney-client privilege, the work-product doctrine and/or any other applicable privilege, immunity, or exemption from disclosure. Any production of such privileged document, or privileged information, is inadvertent and is not intended to waive the applicable privilege or immunity pertaining to that document or information or to any other documents or information. The TCI Defendants reserve the right to demand the return of any privileged or protected documents produced and all copies thereof.

3. The TCI Defendants object to the Requests to the extent they are vague, ambiguous, duplicative, unduly burdensome, and/or seek the disclosure of documents that are

neither relevant to this action nor reasonably calculated to lead to the discovery of admissible evidence.

4. The TCI Defendants object to the Requests to the extent that they purport to seek the production of documents or information that is readily and equally available from sources in the public domain or in Plaintiff's own files.

5. The TCI Defendants object to the Requests to the extent they seek documents outside of their possession, custody or control.

6. Nothing contained in any response to a particular request shall be deemed an admission, concession or waiver by the TCI Defendants. Furthermore, the TCI Defendants' agreement to produce documents in response to a particular request shall not constitute an admission or acknowledgment that the TCI Defendants possess any such documents.

7. In providing these responses and objections to the Requests, the TCI Defendants do not in any way waive or intend to waive, but rather intend to preserve and are preserving:

- (a) all objections as to competency, relevancy, materiality and admissibility of the Requests (or responses) or subject matter thereof;
- (b) all objections as to vagueness, ambiguity and undue burden;
- (c) all rights to object on any ground to the use of any said documents or responses, or the subject matter thereof, in any subsequent proceedings, including the trial or hearing of this or any other action; and
- (d) all rights to object on any ground to any request for further responses to the Requests or any other requests for information, or other discovery requests, involving or related to the subject matter thereof.

8. The TCI Defendants reserve their right to supplement their document production in the event the TCI Defendants discover documents responsive to the Requests and also reserve their right to supplement any response or objection herein.

9. These general objections shall be deemed continuing throughout and incorporated into each and every one of the following Specific Responses and Objections to the Requests. The statement of any specific objection in any Specific Response and Objection below shall in no way waive or prejudice the TCI Defendants' assertion of the general objections.

10. The TCI Defendants object to the Requests to the extent they seek documents created before August 1, 2006 and after the commencement of this action.

11. The TCI Defendants object to the Requests to the extent they are inconsistent with the parties' scheduling agreement.

12. The TCI Defendants will produce documents pursuant to the terms of the March 27, 2008 Stipulation and Protective Order executed by the Parties.

13. The TCI Defendants will produce documents in single-page TIFF format with Concordance and IPRO load files.

**RESPONSES AND SPECIFIC OBJECTIONS**

**Request No. 1:**

All documents relating to The Children's Investment Master Fund's Counterclaims and Third-Party Claim and the 3G defendants' Counterclaims and Third-Party Claim.

**Response to Request No. 1:**

In addition to the foregoing general objections, the TCI Defendants object to this Request insofar as it seeks documents relating to the Counterclaims and Third-Party Claims of Defendants 3G Capital Partners Ltd., 3G Capital Partners, L.P., 3G Fund, L.P., and Alexandre Behring. Subject to and without waiving the foregoing general and specific objections, the TCI Defendants respond that all documents relating to The Children's Investment Master Fund's Counterclaims and Third-Party Claim are either CSX internal documents and guidelines or public documents that are readily and equally available from sources in the public domain.

**Request No. 2:**

All documents relating to defendants' "investment in CSX", "swap arrangements", "proxy solicitation", and "Schedule 13D", all as identified in defendants' Rule 26(a)(1) Initial Disclosures.

**Response to Request No. 2:**

In addition to the foregoing general objections, the TCI Defendants object to this Request on the grounds that it is duplicative of requests contained in Plaintiff CSX Corporation's First Request for Production of Documents dated March 19, 2008 (the "March 19 Requests"), and that the TCI Defendants have previously produced all non-privileged documents that are responsive to this Request that are within the TCI Defendants' possession, custody, and control.

**Request No. 3:**

All documents relating to any relationship between or among any defendant and any other person or persons with which that defendant has had any communications or dealings

relating to CSX, including but not limited to any of the swap counterparties identified in defendants' Schedule 14A.

**Response to Request No. 3:**

In addition to the foregoing general objections, the TCI Defendants object to this Request on the grounds that it is duplicative of requests contained the March 19 Requests, and that the TCI Defendants have previously produced all non-privileged documents that are responsive to this Request that are within the TCI Defendants' possession, custody, and control.

08 Civ. 02764 (LAK) (KNF)

**3G CAPITAL PARTNERS LTD, 3G CAPITAL PARTNERS, L.P., 3G FUND, L.P. AND  
ALEXANDRE BEHRING'S RESPONSES AND OBJECTIONS TO CSX  
CORPORATION'S FIRST REQUEST FOR PRODUCTION OF DOCUMENTS**

Pursuant to Rules 26 and 34 of the Federal Rules of Civil Procedure and the Local Civil Rules of the Southern District of New York, Defendants 3G Capital Partners Ltd, 3G Capital Partners, L.P., 3G Fund, L.P. and Alexandre Behring ("3G") hereby respond to Plaintiff CSX Corporation's ("CSX") first request for production of documents (the "Request").

**GENERAL OBJECTIONS**

1. 3G objects to the Request, including, without limitation, the instructions and definitions therein, to the extent that they purport to impose on 3G obligations beyond those established by the Federal Rules of Civil Procedure.

2. 3G objects to the Request to the extent that it seeks documents or electronically stored information created or dated on or before August 1, 2006.

3. 3G objects to the Request to the extent that it seeks documents that are not within 3G's possession, custody, or control including, but not limited to, documents that are in the physical custody of another person or entity.

4. 3G objects to the Request to the extent that it is overbroad, unduly burdensome, and not reasonably calculated to lead to the discovery of admissible evidence.

5. 3G objects to the Request to the extent that it purports to require identification and disclosure of information and/or documents that were prepared in anticipation of litigation; constitute attorney work product, mental impressions, conclusions, opinions or legal theories of any attorney for or other representative of 3G; contain privileged attorney-client communications; or are otherwise protected from disclosure under applicable privileges, laws, or rules. 3G hereby claims such privileges and protections to the extent implicated by each Request and excludes privileged and protected information from its responses to the Request.

6. Inadvertent production of any document which is confidential, contains confidential information, is privileged, or was prepared in anticipation of litigation shall not constitute waiver of any privilege or of any other ground for objection to discovery of such document, the information contained therein, or the subject matter thereof, or of 3G's right to object to the use of such document or the information contained therein.

7. These responses to the Request shall not be construed in any way as an admission that any definition contained in the Request is either factually correct or legally binding upon 3G, or as a waiver of any of 3G's objections, including but not limited to, objections regarding discoverability and admissibility of documents or other evidence.

8. 3G's Specific Responses and Objections to the individual requests shall be deemed to incorporate, and shall not be deemed a waiver of, these General Objections.

9. 3G will produce any Documents and/or electronically stored information in single-page tiffs with Concordance and Opticon load files.

### **SPECIFIC RESPONSES AND OBJECTIONS**

**REQUEST NO. 1.** All documents concerning any actual or proposed swap arrangement (or any other derivative instrument) that relates to CSX or any interest in or economic exposure to CSX or to CSX securities, including but not limited to all documents concerning:

- (a) the swap arrangements identified in the Schedule 13D or Schedule 14A, including advice on the applicability or application of the federal securities laws to these swap arrangements;
- (b) defendants' ability to receive CSX securities as a result of a swap arrangement;
- (c) any actual or proposed counterparty to a swap arrangement; and
- (d) the voting of shares of CSX securities held by a counterparty to a swap arrangement, including (i) all communications with any actual or proposed counterparty concerning the voting of CSX shares and (ii) any policy that a counterparty or potential counterparty has with respect to the voting of shares held to hedge obligations under a swap arrangement.

### **RESPONSE:**

Subject to the General Objections, 3G will produce non-privileged documents, if any, responsive to Request No. 1.

**REQUEST NO. 2.** All documents concerning any actual or potential contract, agreement, arrangement, understanding or relationship between or among any of you and any other person or persons that relates to CSX, including but not limited to all documents concerning:

- (a) nominees or potential nominees to CSX's board of directors, including all efforts undertaken to identify and/or recruit any actual or potential nominee to CSX's board of directors;
- (b) all communications with actual or potential nominees to CSX's board of directors;
- (c) actual or potential coordination or cooperation between defendants and any other person or persons with respect to CSX, including with respect to (i) the voting of CSX securities; (ii) the past, present or future acquisition of CSX securities; (iii) actual or proposed proxy solicitation with respect to CSX; and (iv) actual or contemplated proposals to amend CSX's Amended and Restated Bylaws;
- (d) all communications with other persons about a relationship or potential relationship with respect to CSX;
- (e) advice on the applicability or application of the federal securities laws to such relationships or potential relationships with respect to CSX; and
- (f) the Schedule 14A.

**RESPONSE:**

Subject to the General Objections, 3G will produce non-privileged documents, if any, responsive to Request No. 2.

**REQUEST NO. 3.** All documents concerning CSX, including but not limited to all documents concerning:

- (a) actual or proposed investments in CSX;
- (b) the ownership of any interest in or economic exposure to CSX or to CSX securities;
- (c) the source and amount of the funds or other consideration used (or to be used) in making purchases of CSX securities or interests therein or economic exposure thereto, and the transaction (and the names of the parties thereto) for any part of the purchase price represented by borrowed funds or otherwise obtained for the purpose of acquiring, holding or trading such security or interest or exposure;

- (d) the number of shares of CSX beneficially owned by the defendants and their associates, and the number of shares concerning which the defendants (or their associates) have a right to acquire, directly or indirectly;
- (e) any contracts, arrangements, or understandings with any person with respect to any securities of CSX, including but not limited to transfer of any securities, joint ventures, loan or option arrangements, puts or calls, guaranties against loss or guaranties of profits, division of losses or profits, or the giving or withholding of proxies;
- (f) the purposes of your holding of an interest in CSX;
- (g) past, present or future plans or proposals to liquidate CSX, to sell its assets to or merge it with any other persons, or to make any other major change in its business or corporate governance;
- (h) communications with any person concerning CSX;
- (i) communications with the Securities and Exchange Commission about CSX;
- (j) work performed by Bain or Deutsche Bank for defendants with respect to CSX and all communications with Bain or Deutsche Bank relating to CSX; and
- (k) the Schedule 13D, including advice on the applicability or application of the federal securities laws to defendants' interests in CSX.

**RESPONSE:**

3G objects to Request 3 on the ground that its request for documents reflecting “past, present or future plans or proposals to liquidate CSX, to sell its assets to or merge it with any other persons, or to make any other major change in its business or corporate governance” or other confidential business plans and/or analyses that may “concern CSX” is overbroad, not relevant to the claim or defense of any party and not reasonably calculated to lead to the discovery of admissible evidence. 3G will only produce business plans or analyses concerning CSX, if any, that precede December 12, 2007.

Subject to the foregoing and the General Objections, 3G will produce non-privileged documents, if any, responsive to Request No. 3.

**REQUEST NO. 4.** Documents sufficient to identify any occasions other than involving CSX, in which defendants have acquired an interest of, or economic exposure to, more than 5 percent of any issuers' equity through the use of swap arrangements.

**RESPONSE:**

3G objects to Request No. 4 as overbroad, unduly burdensome, not relevant to the claim or defense of any party and not reasonably calculated to lead to the discovery of admissible evidence.

### Counterclaim Defendants.

Pursuant to Rules 26 and 30(b)(6) of the Federal Rules of Civil Procedure and the Local Civil Rules of the Southern District of New York, Defendants The Children's Investment Fund Management (UK) LLP, The Children's Investment Fund Management (Cayman) Ltd., and The Children's Investment Master Fund (collectively, "TCI"), by and through their undersigned counsel, Schulte Roth & Zabel LLP, hereby objects to Plaintiff CSX Corporation's Notice of Deposition of TCI dated April 9, 2008 (the "Notice").

### **GENERAL OBJECTIONS**

1. TCI objects to the Notice to the extent it seeks to impose obligations upon it beyond those required or authorized by the Federal Rules of Civil Procedure or the Local Rules of the United States District Court for the Southern and Eastern Districts of New York.

2. TCI objects to the Notice to the extent that it fails to describe with reasonable particularity the matters on which examination is sought. TCI has made a good faith effort to designate the most knowledgeable witnesses to testify on the subject matters set forth in the Notice; however, TCI objects to being bound by the testimony of its designated witnesses with respect to topics that are not described with reasonable particularity in the Notice. Furthermore, TCI reserves the right to object to specific areas of questioning where the witness did not have sufficient notice of the subject matter to be able to prepare adequately.

3. TCI objects to the Notice on the ground that the "Subject Matters for Examination" are vague, ambiguous, and unduly burdensome and seeks information not known or reasonably available to the organization.

4. TCI objects to the Notice to the extent that the discovery sought is unreasonably cumulative or duplicative, or is obtainable from some other source that is more convenient, less burdensome, or less expensive.

5. TCI objects to the Notice because it is overly broad and burdensome and goes beyond the scope of the “limited expedited discovery” described in the Declaration of CSX’s counsel filed with the Complaint on March 17, 2008. CSX’s counsel declared that the discovery Plaintiff seeks is “narrowly drawn and targeted to support claims specifically alleged in the complaint.”

6. TCI objects to the Notice to the extent that it calls for testimony that is protected by the attorney/client privilege, the work-product doctrine, or any other applicable privilege or immunity. To the extent that TCI identifies witnesses to testify on the matters set forth in the Notice, such identification shall not be deemed to be a waiver of any applicable privilege, immunity or similar protection.

7. This response is made without prejudice to TCI’s right to supplement, modify or amend these Objections and Responses as appropriate and rely upon and produce evidence at trial or in any proceeding which may be held in this action.

8. The applicable foregoing General Objections are incorporated into each of TCI’s specific objections that follow.

### **SPECIFIC OBJECTIONS AND RESPONSES TO SUBJECTS FOR EXAMINATION**

#### **Subject No. 1:**

Any actual or proposed swap arrangement (or any other derivative instrument) that relates to CSX or any interest in or economic exposure to CSX or to CSX securities, including but not limited to:

- (a) the swap arrangements identified in the Schedule 13D or Schedule 14A, including advice on the applicability or application of the federal securities laws to these swap arrangements;
- (b) defendants’ ability to receive CSX securities as a result of a swap arrangement;
- (c) any actual or proposed counterparty to a swap arrangement;

- (d) the voting of shares of CSX securities held by a counterparty to a swap arrangement, including (i) all communications with any actual or proposed counterparty concerning the voting of CSX shares and (ii) any policy that a counterparty or potential counterparty has with respect to the voting of shares held to hedge obligations under a swap arrangement; and
- (e) information relating to defendants' swap arrangements as identified in defendants' Rule 26(a)(1) Initial Disclosures.

**Response to Subject No. 1:**

TCI generally objects to Subject No. 1 on the ground that the subject matter is vague and ambiguous in its use of the term "proposed swap arrangement." TCI objects to subpart (a) of this Subject insofar as it would require a corporate representative to testify about information protected by the attorney-client privilege and/or work product doctrine. TCI objects to subpart (c) of this Subject insofar as the term "proposed counterparty to a swap agreement" is unclear and not defined. TCI objects to subpart (d) to the extent that the terms "proposed counterparty" and "potential counterparty" are unclear and not defined. Subject to, as limited by, and without waiving the foregoing general and specific objections, TCI designates Snehal Amin to testify on its behalf with respect to Subject No. 1.

**Subject No. 2:**

Any actual or potential contract, agreement, arrangement, understanding or relationship between or among any of you and any other person or persons that relates to CSX, including but not limited to:

- (a) nominees or potential nominees to CSX's board of directors, including all efforts undertaken to identify and/or recruit any actual or potential nominee to CSX's board of directors;
- (b) all communications with actual or potential nominees to CSX's board of directors;
- (c) actual or potential coordination or cooperation between defendants and any other person or persons with respect to CSX, including with respect to (i) the voting of CSX securities; (ii) the past, present or future acquisition of CSX securities; (iii) actual or proposed proxy solicitation with respect to CSX; and (iv) actual or contemplated proposals to amend CSX's Amended and Restated Bylaws;

- (d) all communications with other persons about a relationship or potential relationship with respect to CSX;
- (e) advice on the applicability or application of the federal securities laws to such relationships or potential relationships with respect to CSX; and
- (f) the Schedule 14A, including information relating to defendants' proxy solicitation as identified in defendants' Rule 26(a)(1) Initial Disclosures.

**Response to Subject No. 2:**

TCI objects to Subject No. 2 on the ground that the subject matter is vague and ambiguous in its use of the words "proposed" and "potential" in the preamble and in subparts (a) through (e). TCI objects to subpart (d) on the ground that this Subject is vague and ambiguous. TCI objects to subpart (e) of this Subject because it would require a corporate representative to testify about information protected by the attorney-client privilege and/or work product doctrine. Subject to, as limited by, and without waiving the foregoing general and specific objections, TCI designates Snehal Amin to testify on its behalf with respect to Subject No. 2.

**Subject No. 3:**

CSX, including but not limited to:

- (a) actual or proposed investments in CSX, including information relating to defendants' investment in CSX as identified in defendants' Rule 26(a)(1) Initial Disclosures;
- (b) the ownership of any interest in or economic exposure to CSX or to CSX securities;
- (c) the source and amount of the funds or other consideration used (or to be used) in making purchases of CSX securities or interests therein or economic exposure thereto, and the transaction (and the names of the parties thereto) for any part of the purchase price represented by borrowed funds or otherwise obtained for the purpose of acquiring, holding or trading such security or interest or exposure;
- (d) the number of shares of CSX beneficially owned by the defendants and their associates, and the number of shares concerning which the defendants (or their associates) have a right to acquire, directly or indirectly;

- (e) any contracts, arrangements, or understandings with any person with respect to any securities of CSX, including but not limited to transfer of any securities, joint ventures, loan or option arrangements, puts or calls, guaranties against loss or guaranties of profits, division of losses or profits, or the giving or withholding of proxies;
- (f) the purposes of your holding of an interest in CSX;
- (g) past, present or future plans or proposals to liquidate CSX, to sell its assets to or merge it with any other persons, or to make any other major change in its business or corporate governance;
- (h) communications with any person concerning CSX;
- (i) communications with the Securities and Exchange Commission about CSX;
- (j) work performed by Bain, Deutsche Bank or any other investment advisor for defendants with respect to CSX and all communications with Bain, Deutsche Bank or any other investment advisor relating to CSX; and
- (k) the Schedule 13D, including advice on the applicability or application of the federal securities laws to defendants' interests in CSX, and including information relating to defendants' Schedule 13D as identified in defendants' Rule 26(a)(1) Initial Disclosures.

**Response to Subject No. 3:**

TCI objects to Subject No. 3 on the ground that the subject matter is overly broad and unduly burdensome, in that it seeks testimony about "CSX." TCI will limit their responses to Subject No. 3 to TCI's activities and communications known or reasonably available to TCI. TCI objects to subpart (a) on the ground that it is vague and ambiguous because the term "proposed investment" is unclear and not defined. TCI objects to subpart (d) on the ground that it is vague and ambiguous because the term "associates" is unclear and not defined. TCI objects to subpart (e) on the ground that it is cumulative and duplicative. TCI objects to subpart (g) on the ground that it is unduly burdensome because it fails to identify a relevant time period, and on the ground that it is not relevant to any claim in the complaint or the counterclaim. TCI objects to subpart (h) as overly broad because it would require a corporate representative to testify about "all communications with any person concerning CSX," regardless of whether the representative

was a part of those communications. TCI objects to subpart (k) of this Subject to the extent it would require a corporate representative to testify about information protected by the attorney-client privilege and/or work product doctrine. Subject to, as limited by, and without waiving the foregoing general and specific objections, TCI designates Snehal Amin to testify on its behalf with respect to Subject No. 3.

Subject No. 4:

Any relationship between or among any of you and any other person or persons with which you have had any communications or dealings relating to CSX, including but not limited to any of the swap counterparties identified in defendants' Schedule 14A.

**Response to Subject No. 4:**

TCI objects to Subject No. 4 on the ground that the subject matter is overly broad, unduly burdensome, and unlikely to lead to the discovery of admissible evidence. TCI further objects to the phrase "[a]ny relationship" as it would require a corporate representative to testify about the scope, nature and extent of any relationship between anyone at TCI and any other person with whom TCI may have had "communications" or "dealings" concerning CSX. TCI will limit its responses to Subject No. 4 to TCI's activities and communications known or reasonably available to TCI with regard to CSX securities or swaps. Subject to, as limited by, and without waiving the foregoing general objections, TCI designates Snehal Amin to testify on its behalf with respect to Subject No. 4.

Subject No. 5:

With respect to The Children's Investment Master Fund's Counterclaims and Third-Party Claim, including but not limited to the TCI Proposal described in paragraph 81 of those Counterclaims and Third-Party Claim:

- (a) the allegations in and the documents in support of the Counterclaims and Third-Party Claim; and

- (b) defendants' possession, custody, control, and management of documents relating to (i) the Counterclaims and Third-Party Claim; and (ii) the categories of documents that defendants may use to support their defenses and counterclaims as identified in defendants' Rule 26(a)(1) Initial Disclosures.

**Response to Subject No. 5:**

TCI objects to this Subject because it would require a corporate representative to testify about information protected by the attorney-client privilege and/or work product doctrine. Subject to, as limited by, and without waiving the foregoing general objections, TCI designates Snehal Amin to testify on its behalf with respect to Subject No. 5.

**Subject No. 6:**

With respect to defendants' Rule 26(a)(1) Initial Disclosures:

- (a) defendants' "investment in CSX", "swap arrangements", "proxy solicitation", and "Schedule 13D", all as identified in defendants' Rule 26(a)(1) Initial Disclosures; and
- (b) defendants' possession, custody, control, and management of documents relating to such matters as identified in defendants' Rule 26(a)(1) Initial Disclosures.

**Response to Subject No. 6:**

Subject to, as limited by, and without waiving the foregoing general objections, TCI designates Snehal Amin to testify on its behalf with respect to Subject No. 6.

**Subject No. 7:**

With respect to defendants' plans for CSX:

- (a) the plans; and
- (b) defendants' possession, custody, control, and management of documents relating to such plans.

**Response to Subject No. 7:**

TCI will limit its response to plans created after August 1, 2006 or before December 12, 2007 and any plans created after December 12, 2007 that require disclosure

pursuant to Rules 13(d) or 14(a). Subject to, as limited by, and without waiving the foregoing general objections, TCI designates Snehal Amin to testify on its behalf with respect to Subject No.7.

Federal Rule of Civil Procedure 45 (c), (d), and (e), as amended on December 1, 2007:

**(c) PROTECTING A PERSON SUBJECT TO A SUBPOENA.**

(1) Avoiding Undue Burden or Expense; Sanctions. A party or attorney responsible for issuing and serving a subpoena must take reasonable steps to avoid imposing undue burden or expense on a person subject to the subpoena. The issuing court must enforce this duty and impose an appropriate sanction — which may include lost earnings and reasonable attorney's fees — on a party or attorney who fails to comply.

**(2) Command to Produce Materials or Permit Inspection.**

(A) Appearance Not Required. A person commanded to produce documents, electronically stored information, or tangible things, or to permit the inspection of premises, need not appear in person at the place of production or inspection unless also commanded to appear for a deposition, hearing, or trial.

(B) Objections. A person commanded to produce documents or tangible things or to permit inspection may serve on the party or attorney designated in the subpoena a written objection to inspecting, copying, testing or sampling any or all of the materials or to inspecting the premises — or to producing electronically stored information in the form or forms requested. The objection must be served before the earlier of the time specified for compliance or 14 days after the subpoena is served. If an objection is made, the following rules apply:

(i) At any time, on notice to the commanded person, the serving party may move the issuing court for an order compelling production or inspection.

(ii) These acts may be required only as directed in the order, and the order must protect a person who is neither a party nor a party's officer from significant expense resulting from compliance.

**(3) Quashing or Modifying a Subpoena.**

(A) When Required. On timely motion, the issuing court must quash or modify a subpoena that:

(i) fails to allow a reasonable time to comply;

(ii) requires a person who is neither a party nor a party's officer to travel more than 100 miles from where that person resides, is employed, or regularly transacts business in person — except that, subject to Rule 45(c)(3)(B)(iii), the person may be commanded to attend a trial by traveling from any such place within the state where the trial is held;

(iii) requires disclosure of privileged or other protected matter, if no exception or waiver applies; or

(iv) subjects a person to undue burden.

(B) When Permitted. To protect a person subject to or affected by a subpoena, the issuing court may, on motion, quash or modify the subpoena if it requires:

(i) disclosing a trade secret or other confidential research, development, or commercial information;

(ii) disclosing an unretained expert's opinion or information that does not describe specific occurrences in dispute and results from the expert's study that was not requested by a party; or

(iii) a person who is neither a party nor a party's officer to incur substantial expense to travel more than 100 miles to attend trial

(C) Specifying Conditions as an Alternative. In the circumstances described in Rule 45(c)(3)(B), the court may, instead of quashing or modifying a subpoena, order appearance or production under specified conditions if the serving party:

(i) shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship; and

(ii) ensures that the subpoenaed person will be reasonably compensated.

**(d) DUTIES IN RESPONDING TO A SUBPOENA.**

(1) Producing Documents or Electronically Stored Information. These procedures apply to producing documents or electronically stored information:

(A) Documents. A person responding to a subpoena to produce documents must produce them as they are kept in the ordinary course of business or must organize and label them to correspond to the categories in the demand.

(B) Form for Producing Electronically Stored Information Not Specified. If a subpoena does not specify a form for producing electronically stored information, the person responding must produce it in a form or forms in which it is ordinarily maintained or in a reasonably usable form or forms.

(C) Electronically Stored Information Produced in Only One Form. The person responding need not produce the same electronically stored information in more than one form.

(D) Inaccessible Electronically Stored Information. The person responding need not provide discovery of electronically stored information from sources that the person identifies as not reasonably accessible because of undue burden or cost. On motion to compel discovery or for a protective order, the person responding must show that the information is not reasonably accessible because of undue burden or cost. If that showing is made, the court may nonetheless order discovery from such sources if the requesting party shows good cause, considering the limitations of Rule 26(b)(2)(C). The court may specify conditions for the discovery.

**(2) Claiming Privilege or Protection.**

(A) Information Withheld. A person withholding subpoenaed information under a claim that it is privileged or subject to protection as trial-preparation material must:

(i) expressly make the claim; and

(ii) describe the nature of the withheld documents, communications, or tangible things in a manner that, without revealing information itself privileged or protected, will enable the parties to assess the claim.

(B) Information Produced. If information produced in response to a subpoena is subject to a claim of privilege or of protection as trial-preparation material, the person making the claim may notify any party that received the information of the claim and the basis for it. After being notified, a party must promptly return, sequester, or destroy the specified information and any copies it has; must not use or disclose the information until the claim is resolved; must take reasonable steps to retrieve the information if the party disclosed it before being notified; and may promptly present the information to the court under seal for a determination of the claim. The person who produced the information must preserve the information until the claim is resolved.

(e) CONTEMPT. The issuing court may hold in contempt a person who, having been served, fails without adequate excuse to obey the subpoena. A nonparty's failure to obey must be excused if the subpoena purports to require the nonparty to attend or produce at a place outside the limits of Rule 45(C)(3)(A)(i).

**RESPONSES AND OBJECTIONS BY NON-PARTY  
D.F. KING & CO., INC. TO PLAINTIFF'S SUBPOENA**

Non-party D.F. King & Co., Inc. ("D.F. King") hereby responds and objects to the Subpoena dated April 18, 2008 (the "Subpoena"), including the request for documents and a Rule 30(b)(6) deposition, by plaintiff CSX Corporation (the "Plaintiff"), as follows:

**GENERAL OBJECTIONS**

A. D.F. King objects to the Subpoena to the extent that it seeks documents or information not relevant, material or reasonably calculated to lead to the discovery of evidence which is relevant or material to the subject matter of this action; is overly broad, vague or ambiguous; imposes an unreasonable and undue burden and expense on D.F. King; and/or seeks to require documents or information or to impose any obligations beyond those permitted by the Federal Rules of Civil Procedure or the local rules of this Court.

B. D.F. King objects to the Subpoena to the extent that it seeks documents or information of a proprietary, confidential, strategic, trade secret, sensitive or financial nature, and/or

to the extent that it seeks documents or information containing confidential proxy strategy or advice relating to the proxy contest that is the subject of this action.

C. D.F. King objects to the Subpoena to the extent that it seeks documents or information prepared in anticipation of litigation, protected by the attorney-client privilege, the attorney work-product doctrine or any other applicable privilege or doctrine. The disclosure by D.F. King of any such protected documents or information is inadvertent and is not intended to waive any applicable privileges or protections.

D. D.F. King objects to the Subpoena to the extent that it seeks documents or information now in the possession of or equally accessible to the Plaintiff, or documents or information in the public domain.

E. D.F. King objects to the Subpoena to the extent that it seeks documents or information between August 1, 2006 and the present, on the grounds that such time period is unreasonable and overly broad.

F. D.F. King objects to the Subpoena to the extent that it seeks duplicative information.

G. D.F. King objects to the Subpoena to the extent that it implies the existence of documents, facts or circumstances that do not or did not exist.

H. D.F. King objects to the definitions of “you” and “your” in the Subpoena, on the ground that they are unduly broad.

I. D.F. King objects to the Subpoena to the extent that D.F. King is not in possession of the requested documents or information.

J. D.F. King objects to the Subpoena to the extent that it calls for a Rule 30(b)(6) deposition, on the ground that such deposition is duplicative of the documents sought herein and received by Plaintiff.

K. All documents produced by D.F. King are hereby designated as "Confidential" pursuant to the Stipulation and Protective Order dated March 31, 2008.

L. D.F. King's responses and deposition testimony shall not constitute a waiver of any of the general or specific objections set forth herein.

M. D.F. King reserves the right to revise, correct, supplement or clarify these responses and objections and to interpose additional objections at any time.

**SPECIFIC RESPONSES AND OBJECTIONS  
TO DOCUMENT REQUESTS**

Subject to and without waiver of the foregoing objections, D.F. King will produce non-privileged, non-objectionable documents that are responsive to requests 1 through 6, if any.

2 ---

3 (Time noted: 11:39 a.m.)

4 MR. PARKER: Back on the record. I  
5 would like the record to reflect that I did  
6 not speak with the witness at all while we  
7 were off the record. I think the way I  
8 stated the instruction before is correct,  
9 and I will just restate it. That  
10 communications with TCI -- that we will  
11 permit Mr. Harkins to testify about  
12 communications with TCI when Schulte is not  
13 present. Although we take the position  
14 that those conversations are privileged,  
15 you disagree, and we're going to let him  
16 testify, subject to the agreement that was  
17 reached earlier about nonwaiver if it is  
18 privileged.

19 Similarly, conversations that  
20 D.F. King had with Schulte, where TCI was  
21 not present, would fall under the same  
22 category. We consider them privileged, you  
23 don't. We're going to let him testify  
24 about them.

25 I will say for the most part -- I

**5/7/2008 Harkins, Peter**

1 PETER HARKINS - HIGHLY CONFIDENTIAL ATTORNEYS' EYES ONLY

2 could conceive of questions you might ask  
3 that we wouldn't -- but for the most part,  
4 we're going to let him answer those  
5 questions, again, subject to the agreement  
6 we reached earlier about nonwaiver.

7 Communications between Schulte and  
8 TCI, however, are another matter. Those  
9 are privileged, and it is our view that  
10 Mr. Harkins' presence at those  
11 conversations does not make those  
12 conversations not privileged. So I will  
13 not let him answer questions about  
14 conversations where both TCI and Schulte  
15 were present.

16 MS. SELB: So for any conversations  
17 where both TCI and Schulte were present,  
18 there is a blanket instruction not to  
19 answer?

20 MR. PARKER: I won't say it's a  
21 blanket instruction not to answer. If you  
22 can demonstrate that there were some other  
23 non-privileged person there or it's been  
24 otherwise waived in some other way, or for  
25 some other reason is not privileged, then

**5/7/2008 Harkins, Peter**

PETER HARKINS - HIGHLY CONFIDENTIAL ATTORNEYS' EYES ONLY

-- then we'll consider it.

But I would say that a conversation between Schulte and TCI is presumptively privileged until we figure out otherwise. Presumptively privileged. And we will not permit him to answer unless otherwise described.

MS. SELB: Okay.

MR. PARKER: Even subject to the waiver that was -- to the nonwaiver agreement we reached earlier.

BY MS. SELB:

Q. Mr. Harkins, you testified that ISS was one of the proxy advisory firms that D.F. King believed would be willing to endorse a short slate. Do you remember that?

A. Yes.

Q. Did D.F. King ever communicate that belief to TCI, without TCI's attorneys present?

A. Would you read that question, please?

(The reporter read back as follows:)

"Question: Did D.F. King ever communicate that belief to TCI, without

Letters I can do without. And I only recall two cases in thirty years where I have been involved motions to compel. Pick a time on wednesday and I am yours. I can get a dial in number. Which I think is also a no-brainer. 3. Your privilege logs, although I do not think that the whole gang need be on for that. 4 the extent of the waiver flowing from your putting your partner forward as a rebuttal fact witness. 5. An "agreement" on what the open items from your production are, with closure on what is going to happen. 6. Your suggestion on what to do about the fact that you have scheduled behring and amin on the same day. 7 whatever I have forgotten. I understand that your agenda is as follows. 1 the homestead documents. 2 the reverse of my number 5 above 3. Anything else that you want to bring up. But please let me know in advance. I will even prepare and agenda with boxes if that would at least lighten the tension. Have a safe trip back. We miss you.

Two more attempts to engage you in a telephonic "meet and confer" have been ignored by you, Frank, or Lillian (the most recent being yesterday, when my "younger colleague" called both Frank and Lillian). I am beginning to think you are more interested in writing letters than resolving issues.

I will try once more - Please let me know when you are available on Wednesday (as you know, I am traveling today).

Subje RE: CSX v. TCI  
ct

Surely you are distracted and annoyed by the fact that the kids are more interested in the beautiful day outside than the subject matter of your lecture. So let me try to refocus you:

1. You had noticed the depositions of the counterparties, in addition to identifying them as trial witnesses. "They're coming, they're coming," was the refrain we kept hearing back when we asked "when?". But now we find ourselves on the backend of fact discovery with your representations (or those of your colleagues) ringing hollow. Am I to take from this that you are not going to call the counterparties at trial? Your

answer will help determine whether we now have to take their depositions. (the kid in back is shooting spitballs - duck)

2. Since I know that you are not a gamesmanship sort of guy and, thus, are not writing for the purpose of creating a record, let me address your belief that we "delayed" getting you financial information. Wrong. And now that I've addressed it, let me tell you what's going on. The bank holiday is over - Long Live the Queen - and we expect to get the information later today, at which point I will release your hostages based on your representation that you will release mine by tomorrow. Agreed? (the little girl up front has a crush on you).

3. You have asked about our rebuttal experts, so true. If and when we decide to narrow our list, you will be the first to know - at least, the first at Cravath. (boy in third row - curly hair - sleeping).

4. Evercore/Morgan Stanley stip. My fault. I had not seen it because it came in hardcopy. Assumed it was a delivery of yet more responsive documents. We are looking at it closely today. (check your fly - always good advice - take it from me; I've stood on many a stage not realizing it was open; but then again, I also played Alan in Equus - no fly; no clothing ... of course, my costume fit better in those days).

5. Yes, we have to start thinking about this. May 14 is the due date.

6. Have not forgotten Amin 12. I'll get back to you on that later.

The center will not hold. There are some issues that I would like you to reflect on and perhaps even solve while I am teaching 11th graders. 1. You asked for permission to go to 13 depositions some while ago. So you obviously delayed to take the 12th and 13th depositions. Until after the agreed to end of fact discovery. That date was the predicate for our may 8 expert report. 2. You have delayed giving us the data on tci's relationships with investment backs. The may 8 expert date was predicated on your giving me what is mine in a timely fashion. 3. You have not responded to my query on which rebuttal expert(s) are still on your list. Please let me know which ones. Also remind me of the day that we are getting the report(s) and provide dates for their depositions after the receipt of those reports. 4. I have not noticed your response to the evercore/ morgan stanley stip. 5. We have to start thinking of the pto. We are going to designate from the depositions of defendants and evercore. Presumably you are designating from our deponents and some of the other depositions that you took. When do you want to exchange designations so that

counter designations can be done? And when do you want to exchange lists of proposed exhibits? 6. What have I forgotten, other than amin 12, which you have told me that you will not forget?

Given the lasting impressions you no doubt made and left during your years in the UK, perhaps you have standing to write a strongly worded letter to the Queen, requesting that the bank holiday be cancelled and ordering everyone back to work. Short of that, we're stuck with the situation. We did put the issue to the client as soon as we got your letter hoping that we would be in a position for the hostage exchange tonite. Unfortunately for the hostages, it will be at least one more night and day of gruel.

1 CHRISTOPHER HOHN - ATTORNEYS' EYES ONLY

2 correct?

3 A. Incorrect, incorrect.

4 We used --

5 MR. GODNICK: You've answered his  
6 question.

7 A. Yes, incorrect.

8 Q. You used swaps because it was a  
9 cost-effective way of getting economic exposure  
10 to CSX, correct?

11 A. As I explained before, when we  
12 purchased the shares -- sorry, let me correct  
13 that.

14 When we first wanted to gain  
15 economic exposure to the company, the fund was  
16 leveraged and we needed to borrow money to make  
17 an investment and swaps were the best way of  
18 financing that. Had nothing to do with  
19 disclosure.

20 Q. So it never crossed your mind that  
21 there was an advantage of swaps that you didn't  
22 have to disclose even above five percent?

23 MR. GODNICK: Object to the form of  
24 the question.

25 A. We -- the reason we put the -- made

5/1/2008 Hohn, Christopher

1 CHRISTOPHER HOHN - ATTORNEYS' EYES ONLY  
2 the investment through swap was for financing  
3 purposes, not for -- it was not for the purposes  
4 of avoiding disclosure.

5 Q. Well, you asked whether you had to  
6 disclose, correct?

7 MR. GODNICK: Pardon me? I didn't  
8 hear the question.

9 Q. You asked if you had to disclose  
10 the swaps, right?

11 MR. GODNICK: Hang on a second. Is  
12 the question did he ask anyone?

13 MR. MILLSON: Yeah.

14 MR. GODNICK: Okay. To the extent  
15 that you asked that question of counsel, I would  
16 instruct you not to answer. If you asked a  
17 question of anyone else on earth, then you can  
18 answer.

19 A. No, we -- I did not ask that  
20 question because we know, as a matter of fact,  
21 that swaps -- swaps are cash settled swaps and  
22 we don't use anything else if we have finance or  
23 exposure through swaps, and cash settled swaps  
24 have no rights to shares or voting and,  
25 therefore, there are not disclosure

5/1/2008 Hohn, Christopher

1 CHRISTOPHER HOHN - ATTORNEYS' EYES ONLY  
2 requirements, except if you go -- except if you  
3 have a physical holding in addition, above  
4 certain levels. So I didn't need to ask  
5 anybody.

6 Q. And you knew this from your long  
7 use of swaps?

8 A. Yes, we have extensive use of swaps  
9 for financing purposes, in multiple positions  
10 across our firm, multiple -- many years, so it's  
11 a very common form of us financing our book.

12 Q. And you have entered into numerous  
13 swaps with these eight counterparties who you  
14 entered into swaps with on CSX, right?

15 A. We have swap agreements with them  
16 that have been used for financing many different  
17 positions over the years.

18 Q. And you are familiar what it is  
19 that they do when they are on the other side of  
20 a swap from you, correct?

21 MR. GODNICK: Object to the form of  
22 the question.

23 A. Actually, I'm not. We never -- we  
24 never ask if they've -- if they've hedged any  
25 swaps, so it's not something that our agreements
